

>From Blue Paper Year 7 # 295

“Fatima versus Russia: 1917 – 2015 or 17?”

*“Before God a nation has apostatized when its government has posited an act of apostasy, though many members of the nation may have remained faithful.”* (La Question du Messie et le Council de Vatican by The Fathers Lehman).

Absolutely, Our Lord Jesus Christ will not convert Russia until the Holy Father performs the “collegial consecration of Russia” - one at once and throughout the whole world naming specifically Russia with all the Bishops of the Catholic world led by the Pope himself.

The Pope – and every Pope at his own turn after 1960 – had faced either way TO IGNORE Our Lady of Fatima’s request or to comply with consecrating Russia. After January 1960, the closest intent of consecration has lacked the conditions, which Our Lady asked for. Her warnings concerning the Church crisis of the Faith and the world resulting in a tremendous impact of enslaving mankind with vices and horrors have been shift into dramas of myth or legend.

However, the immediate consequence of such act of obedience by the Pope will be a cessation of the mass-subversion that the Communists are still at present waging against the nations of the world. Such Pope Francis’ Agenda seemingly was implemented at his trip to Cuba and United States. As result of it, it effectively intruded in the “process of peace” in Colombia, supported from Cuba by a Communist guerrilla disruption. As in other Countries, the so-called “liberation fronts” of every description is in order to release weapon power and money surrounding in families and nations – Communist theory runs in the fight of Social class, the rich reject the poor, and the poor abject the rich, on basic Materialist attitude without God in between, but man-serving-man.

Hence, the infiltration and subversion into the Catholic Church, which have prepared and followed up the Vatican II Council, had forged a globalist financial elite. But, who is leading it?

Communism is like an octopus having one head and different limbs to move on. Communism was not created by political theories only, yet helps to undermine religious principles at its first victory was to exterminate Catholic religion overthrowing the Christian monarchy in Russia during October 17, 1917, Bolchevick-Communist Revolution; and before of it, during the perpetrated plot in the assassination of Francisco Fernando on June 14, 1914, in Sarajevo – a city of the last (Austro-Hungary) Catholic Empire.

In addition, Communism is not a mere social revolution, revolving fashions in thinking about authority versus anarchy, or in doing concerning family issues as liberating husband from wife, or otherwise; and/or undermining children towards parents, or otherwise. Nevertheless, *“The ultimate aim of Communism ... is not to establish another social or economic system. It is to mock God and praise Satan”* (Richard Wurmback, Marx and Satan, 1986 Crossway Books). It’s a declared war to the death against God, namely, against Jesus Christ – true God and true man. It therefore is a war against His Church, against Catholic religion. Within the frame of such outbreak of war, the pastors of the Catholic Church may be actually unable to carry out the consecration asked by Our Lady. Indeed, consecrated Russia is NOT the Problem but the solution to the diabolical disorientation.

Certainly, Militant atheism is ruling the materialistic life of the world, not only in technology and Science but also in a scientific natural humanistic attitude of healing bodies. It is a Communist godlessness impact concealed by secular humanitarian guise. Millions desponded innocents are mercilessly slaughtered each year throughout the world in death bunkers - in death clinics. Soft-kill eugenics is being practiced more openly against elderly and unborn children. Is this viewed in that context of many nations will be annihilated?

As Our Lady of Fatima has told the children in 1917 : *“He [God] is about to punish the world for its sins, by means of war, famine, and persecutions of the Church and the Holy Father. To prevent this, I shall come to ask for the consecration of Russia to My Immaculate Heart, and the Communion of Reparation on the First Saturdays. If My request are heeded, Russia will be converted, and there will be peace; if not, she will spread her errors throughout the world, fomenting wars and persecutions of the Church. The good will be martyred, the Holy Father will have much to suffer, and **various nations will be annihilated.** In the end, My Immaculate Heart will triumph. The Holy Father will consecrate RUSSIA to Me, and Russia will be converted, and a certain period of peace will be granted to the world...”*

This is a prophetic oracle expressed by the words of the Mother of God through the message of Fatima,

foretelling the destiny of mankind in our times. Nothing could be further from the truth!

On the other hand, there is a historical developed scenario, which arranges at the same time the declining of Catholic teaching in moral and doctrine versus an ever increasing monopoly of Communist nations, overtaken by politics and morals as economic life and customs as well. Let us re-read some words said by the first prime minister of Israel, David Ben-Gurion, on January 16, 1962: *"The image of the world in 1987 as traced in my imagination: The Cold War will be a thing of the past. Internal pressure of the constantly growing intelligentsia in Russia for more freedom and the pressure of the populated-masses for raising their living standards may lead to a gradual democratization of the Soviet Union. On the other hand, the increasing influence of the workers and farmers, and the rising political importance of men of science, may transform the United States into a welfare State with a planned Economy. Western and Eastern Europe will become a Federation of autonomous states having a Socialist and Democratic regime. With the exception of the U.R.S.S. as a federated Eurasian state, all other continents will become united in a world alliance, at whose disposal will be an international police force. All armies will be abolished and there will be no more wars. In Jerusalem, the United Nations (a truly United Nations) will build a shrine of the Prophets to serve the federated union of all continents; this will be the seat of the Supreme Court of Mankind, to settle all controversies among the federated continents, as prophesied by Isaiah. Higher education will be the right of every person in the world. A pill to prevent pregnancy will slow down the explosive natural increase in China and India. And by 1987, the average life-span of man will reach 100 years,* (Look Magazine, January 1962.)

Nevertheless, God has unconditionally promised that those horrors would not take place if the Consecration of Russia would properly carry out. At the present stage of human history, it has been prophetically foretold at Fatima, what can we do about it? Unfortunately, there are still Bishops who insist that the Consecration of Russia has been done already, and the Immaculate Heart of Mary has already begun. But, where is the period of peace foretold by Our Lady? Absolutely, peace is not a Communist Victory, because their driving force consists of an oppressive regime enforced by the elite over the impoverishment remnant of the populated-masses of humanity. This cannot be the Triumph of the Immaculate Heart of Mary, for that would be the triumph of evil over good.

When God had sent Our Lady to convey His command that Russia be consecrate by the Pope and Bishops, He was expecting swift obedience from them in this matter. Moreover, the Pastors of the Church did not comply with His will. Therefore, Our Lord Jesus Christ spoke to Sister Lucia in August 1931 at Rianxo, Spain, expressing His displeasure to her saying: *"Make it known to My ministers, given that they're following the example of the King of France in delaying the execution of My request; so, they will also follow him into misfortune."* As a matter of fact, Louis XIV and XV did nothing, until Louis XVI being in jail tried to obey the command of God but could not make the required public and solemn act, then he was beheaded on January 21, 1793.

Would it be weird to say that Benedict XVI might be like in jail, as another XVI in the past? Cardinal Ratzinger had - before being the XVI - revealed that the Third Secret refers to *"dangers threatening the Faith and the life of the Christian, and therefore of the world,"* and further revealed a correspondence between the Message of Fatima and the Message of Akita, in which Our Lady, **in Her own words**, warns us of a coming crisis in the Church accompanied by a fiery chastisement of the world?

In consequence, the Triumph of the Immaculate Heart cannot begin until the Pope, the Bishops and the faithful heed the warnings and obey the requests of Our Lady of Fatima. Let's live according to the message of Our Lady: Pray and do penance!

Viva Cristo Rey!
